

PRESS RELEASE

2010 Australian World Men's Team to compete at the World Men's Tenpin Bowling Championships in August.

Tenpin Bowling Australia Limited will have a relatively new crop of talented Men travelling to Munich in August to represent Australia at the World Men's Championships. The event will run from the 10th August through to 21st August 2010 at the Dream-Bowl Palace, Munich, Germany. There will be 63 countries competing at this year's World Championships.

Ross Brown from New South Wales will be representing his country for the first time. Ross won the 2010 N.S.W. Country Championships.

Brendan Meads from Queensland will also be representing Australia for the first time. Brendan finished the 2009 Rachuig tournament with the highest average making his first Rachuig All Star team for his State.

Brian Pilkington from Queensland will be representing Australia for the second time. Brian was part of the Gold medal winning Australian team at East Asian Pacific Tenpin Bowling Championship in Macau.

Christian Purdue from New South Wales will also be representing Australia for the first time. Christian has been part of the very successful New South Wales Rachuig team winning the event 5 times.

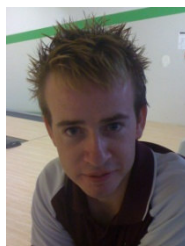

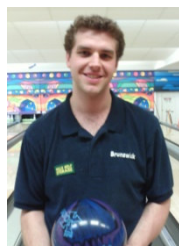

Ben Taylor from Queensland will be representing his country for the second time. Ben is currently in Helsinki representing Australia in the 11th World Youth Championships. Ben finished 3rd in the 2010 National Youth Cup.

Paul Trotter from Victoria is our most experienced team member representing his country for a 4th time. Paul was the first Australian bowler to bowl the perfect game of 300 back to back in the 2002 AMF World Cup. Paul has started the year off with a win in the 2010 Australian Open earlier in the year.

On behalf of the Tenpin Bowling Australia Limited board and Management team we would like to wish the team every success during the World Championships.

2010 World Men's Team
