The following requirements must be complied with when applying for Tenpin Bowling Australia Limited (TBA) accreditation. Please supply all relevant information where required.

1. The competition must be held in a current TBA registered bowling centre which has a current Lane Accreditation Certificate.
2. All applications must be submitted on a current TBA Tournament Accreditation Application form. The TBA logo and Accreditation Number should be displayed on all tournament entry forms. The Logo can be downloaded from www.tenpin.org.au from our Tournament Accreditation page.
3. **Your event should not be held on the dates selected by TBA for State/Territory Roll Offs and Championship events. No accreditations will be issued for those dates unless application is made to TBA for exemption.**

5. All applications must include draft entry forms, poster and/or tournament rules submitted with the accreditation application to enable TBA to counsel in event of possible rule violations and/or discrepancies prior to the printing of final documents. Entry Forms that are printed prior to the lodgement of a Tournament Accreditation Application may not comply with the Tournament Accreditation requirements.
6. Provide a full and complete list of prizes to be paid.
7. Entry forms should specify and conditions that may change, eg: prize funds based on a number of entries and format changes as a result of low entry numbers, but TBA approval is still required before any conditions can change. Please refer to TBA RULE 805 for full conditions of Tournament accreditation.
8. Tournament Directors may be asked to provide evidence regarding tournament lane conditions.
