

CAPABILITY STATEMENT

The national distributor of
essential business supplies

Est.

2010

About Mission & Vision

“

To be the easiest supplier for our clients to work with, to improve our clients efficiency and costs through innovative products and solutions and to give back to the great community we live in.

To become the first choice for workplace supplies nationally.

Industries We Service

As part of our commitment to be the best, we have created 5 separate divisions of Restock that focus our expertise on specific industries.

Health & Aged Care

Over 10 years of experience in the Health & Aged Care industry - working together to transform aged care needs and improve residents' experience.

Committed to creating a tailored solution to meet all your product and service requirements so you can run your operations hassle free.

Food & Pharmaceutical

Discover Protectaware by Restock - the one range of production consumables and hygiene systems for your Food & Pharmaceutical processing environment. Designed to deliver confidence in food safety, the Protectaware brand offers premium quality and superior comfort for everyday use while keeping your operational costs down.

Facilities & Education

A leading supplier of consumable products to the Education Departments, Contract Cleaning and Facility Management industry. Premium quality and superior comfort for everyday use while keeping your operational costs down.

QSR & Hospitality

The one-stop provider of QSR & Hospitality consumables with a superior national distribution network. Our seamless ordering process ensures accurate and efficient delivery every time. Focused on providing superior quality at a competitive price. We have fully stock warehouses to allow us to provide an express delivery service.

Industry and General

With over 9,000 product lines, we cater for every business that operates in Australia. Many clients in the following sectors purchase all their daily business consumable through Restock because we are Responsive, Reliable and have everything they need: Transport & Warehousing, Government Departments, Emergency Services, Corporate offices, Sporting Clubs & More.

Brands & Products

Our extensive research and development helps us stay at the cutting edge of innovation and gives us the knowledge to help improve your efficiency and costs.

We employ product specialists to support each of our four core product categories, represented by our sub brands below.

Environmental Focus

Our focus is simple - to continue sourcing our products from sustainable sources and partner with manufacturers who adopt responsible practices that look after the environment.

Standards & Certifications

FSC® Certified Products

Products meeting our eco-friendly criteria conform to requirements in the Forest Stewardship Council® (FSC) Chain of Custody Certification

HACCP Food Safety Certification Program

Restock's range of Protectaware and Durelle products have been certified by HACCP Australia as being food safe, providing you with confidence that all your food safety risks are under control.

Therapeutic Goods Administration (TGA)

If you would like more information on products listed in the Australian Register of Therapeutic Goods (ARTG), please do not hesitate to contact us.

Community & Charities

Since our establishment, Restock has been a constant part of the community. As part of our corporate social responsibility philosophy, we proudly support and sponsor to a variety of local and international organisations.

Give to Charity Program

You can play a part too and turn your loyalty points* into charitable donations. To find out more, visit our Online Store or contact us.

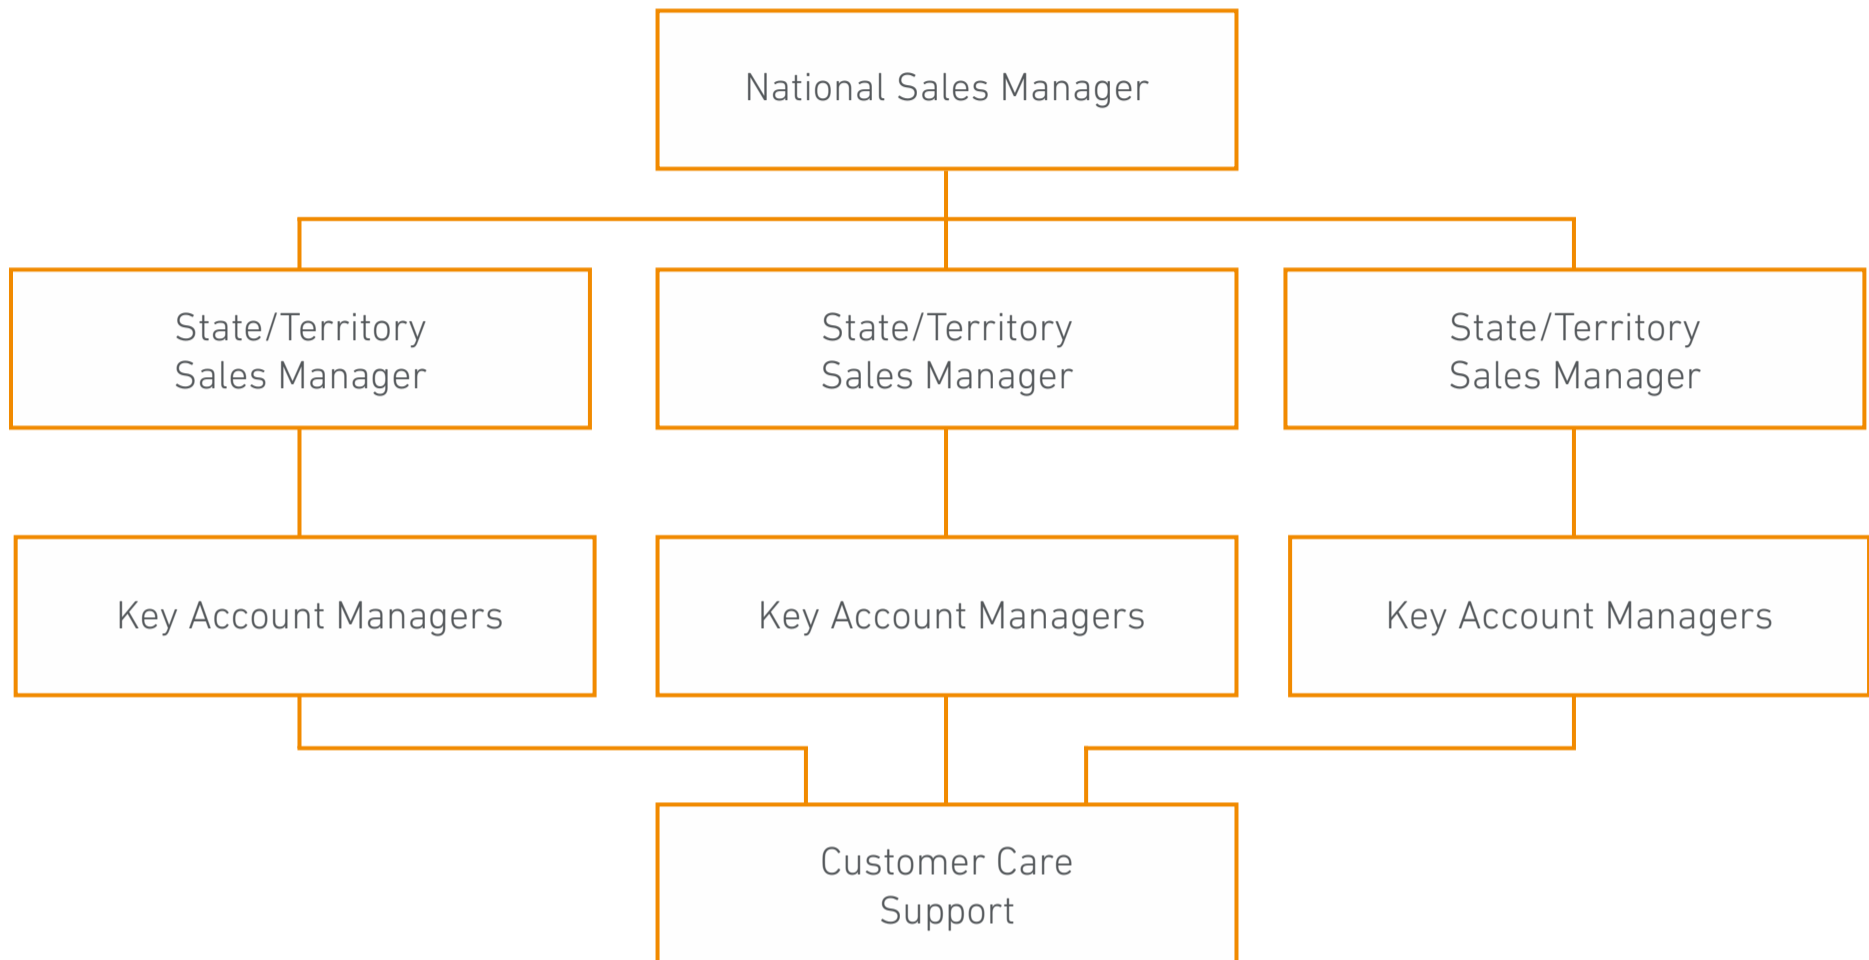

National Locations

Restock has established a national distribution network across Australia. We have our own fleet of delivery vehicles and aim to deliver in full and on time daily.

Sales Organisation Chart

Our sales structure is designed to provide the highest level of customer support with Designated Key Account Managers. The below Sales Organisation Chart displays our current structure.

Responsive & Reliable

○ Single source supplier nationally

Why have multiple suppliers when you can get all you need from a single source supplier. We provide an innovative and diverse range of premium quality products at a better price. With Restock you save the hassle of multiple deliveries, increased paperwork and higher prices.

○ Designated experienced Key Account Manager

We believe in providing a superior, Responsive & Reliable customer experience. In each of the 5 Industries we service, we have a team of Dedicated Key Account Managers which are industry experts. So, your Account Manager will be able to provide top end product and industry recommendations.

○ Designated Customer Care Support

In addition to our designated Key Account Managers, we have developed a dedicated Customer Care Support Team. This team provides support to the Key Account Managers with administration tasks to making us more efficient, and them to provide more regular on-site support to our clients.
