## L. OFFICIAL PRACTICE

Strike 3 will conduct Official Practice on Sunday 25 June from 9.00am to 11.00am. Teams will be allocated a lane or a pair of lanes if both male and female teams are practicing. Male only teams will be matched up together. There will be three pair changes carried out during the session. This practice session is optional, the cost being \$120 including GST per team, payable to Strike 3 at check in by 8.30am on 25 June.

## M. POINTS SYSTEM

Points will be awarded as follows:

1. Each team member will be matched against the opposing team member in the corresponding position in the line-up and the player achieving the highest total scratch score for the game will win one point for the team. In the event of an equal game score, the point will be equally shared.
2. The team's total pinfall will be compared with the total pinfall of the opposing team and two points will be awarded to the team with the highest total pinfall.
3. In the event of an equal team score, the points will be equally shared.

## N. BOWLING BALLS

1. All bowling balls used in this tournament must be within the specifications defined in chapter 6 of the TBA Rule Book.
2. Players are **not** required to register bowling balls for this tournament.
3. An inspection of any players bowling balls to check eligibility may be performed at any time and location. A penalty at the full discretion of the STRIKE 3 Tournament Team may be applied to any infringement.
4. In the interests of fair play for all players, only two players in each team are allowed to use a bowling ball made with a urethane and/or microcell polymer cover stock, which has an RG Differential greater than 0.011, at any time in any single match, including bowling for spares. The one or two players choosing to use any urethane and/or microcell polymer bowling ball, which exceeds this RG Differential must be nominated before the match begins and advised to the opposition team captain and/or manager. A breach of this rule will see the third, and all subsequent players, using restricted use urethane and/or microcell polymer bowling balls forfeit their match point to their opponent. The total team score remains in place.

## O. MATCH TIMING

All matches will have a maximum time limit of 65:00 minutes. Countdown timers will be centrally located, so all teams can view the available time at any point during a match. It is the responsibility of both teams to ensure their match finishes on time. If the maximum time is breached, both teams will receive a one-point penalty if the match is completed in under 70:00 minutes and a two-point penalty each if the match takes longer than 70:00 minutes. The STRIKE 3 Tournament Team are judges of fact in all match timing matters.

On the completion of all matches, teams are free to move to their next match, providing the removal of bowling balls is done with consideration to matches still being played and the movement is done via the promenade area behind the public seating area, not the area directly behind the players area.

## **P. AWARDING OF THE WALTER RACHUIG TROPHY & TRISH DATSON MEMORIAL SHIELD**

The Walter Rachuig Trophy and the Trish Datson Memorial Trophy will be presented to the champion teams immediately after the tournament. These trophies are perpetual trophies and remain the property of the TBA. The champion teams have the option to take the trophies back to their home region for local publicity purposes on the condition of satisfactory and safe return to STRIKE 3 within six months of the tournament's completion.

### **1. Walter Rachuig Trophy**

Separate trophies will be awarded to the male and female teams who have the highest points total in their respective divisions. In the event of a points tie for 1<sup>st</sup> place, the tie will be broken by a one game playoff with the highest one game points total to decide the champion. If the tie still exists, total pinfall for that game will be used. If a points tie involves more than two teams, pinfall will decide the first two positions to play the one game playoff. All other tied positions on points will be decided by total pinfall.

### **2. Trish Datson Memorial Shield**

The overall winner will be determined by adding the total points from the male division to the total points in the female division. In the event of a points tie for 1<sup>st</sup> place, the tie will be broken by a two-game playoff (one male & one female) with the highest combined points total to decide the champion. If the tie still exists, total pinfall for those two games will be used. If a points tie involves more than two teams, pinfall will decide the first two positions to play the two-game playoff. All other tied positions on points will be decided by total pinfall.

## **Q. MEDALLIONS**

Gold, Silver, and Bronze TBA medallions will be presented to up to six players, one coach and one manager (eight medallions in total) in both divisions of the Walter Rachuig Trophy Tournament and the Trish Datson Memorial Shield (sixteen medallions in total).

## **R. TROPHIES**

The following individual trophies will be awarded:

### **1. Walter Rachuig Trophy All-Star Team**

Following each Walter Rachuig Trophy Tournament, an "All Star Team" will be announced in the male and female divisions. Selection shall be as follows.

- The top five male division point scorers shall be the male division team.
- The top five female division point scorers shall be the female division team.
- Females playing in the male division are eligible for both All Star Teams, based on their total points.

In the event of a tie for the last available position in the All-Star Team:

- The player who has played fewer games during the event will be included in the All-Star Team
- Should the tie remain, the player with the higher average will be included in the All-Star Team

## 2. Walter Rachuig Trophy Sportsperson's Award

Voting forms will be distributed to team managers at the beginning of the final day of play. Voting is on a preferential voting system where (3) is the first preference. Only one form per team can be filled in, relevant to your division, and voting forms must be returned to the tournament room by the commencement of the last game of the tournament. Any forms received after this time will not be included in the total votes. Voting for players within your own team is not allowed, as is voting for players in the other division of the tournament. The player in each division who receives the most votes will be declared the winner of the award in that division. A tie for points will be decided by the number of "3"s received and if still equal, the number of "2"s.

## S. PROTESTS & RESULTS ENQUIRIES

Only competing players, the appointed coach and/or the appointed manager, as listed on the final entry list, may lodge a protest or results enquiry in relation to this event. This must be lodged in writing (and signed) to the tournament team within sixty minutes of the completion of the final frame of the tournament. After this time, results will be considered as final and no further correspondence will be addressed by the tournament team. STRIKE 3 reserve the right to amend any errors, at any time, which it feels are in the best interests of the event.
